PROFILE

Tech related lover since teenager. I was introduced to the computer world and ever since tried to learn how to have control over it. As a worker I'll do everything that I can to solve a coding problem and as a coworker I'll be your best pal.

SKILLS

Calm, Flexible, Cooperative, Rational, Open-Minded, Responsible.

EXPERIENCE

Full Stack Developer, eCode Digital Agency, Remote — Oct 2022 - Nov 2023

I worked in 3 projects, 2 from scratch and 1 ongoing project. I was responsible of developing, maintaining and adding new features by using specific knowledge and learning new technologies. The main tools used were: Git, NextJs, VueJs, Typescript, k6, Scrum, Kanban.

EDUCATION

Web Developer Co-op - Diploma

Tamwood Careers College, Vancouver, BC — April 2024 - May 2025

Web Systems - with focus in Front-End Development - Technologist

Descomplica, Rio de Janeiro, RJ, Remote — June 2022 - July 2024

Software Development for Web - Certificate

Trybe - Technology School, Belo Horizonte, MG, Remote - August 2021 - October 2022

- Highly demanding course that I'm proud of concluding.

- Certificate Credential: <https://bit.ly/trybe-certificate>

Web Developer Bootcamp - Certificate

IGTI, Belo Horizonte, MG, Remote - July 2020 - September 2020
